HEARING AIDS with **WORRY-FREE CARE**

What's Included with All of Our *Signature* Worry-Free Care Plans?

HEARING AID EVALUATION

A comprehensive look at your individual listening needs, lifestyle, and goals for improved hearing.

HEARING AID FITTING

Customized programming to fit your prescriptive targets using probe microphone measures, orientation of the use and care of the device(s).

60-DAY EVALUATION PERIOD

An ample trial period for you to experience the new device(s) in your everyday environment and ensure satisfaction, with steady follow-up care as needed.

WARRANTY

3 year repair/loss and damage protection

EXTENDED CARE

- Batteries (1 box per hearing aid)
- DRY-GO UV™ for storage and moisture care
- 5 years of follow-up care for covered device(s) with no office visit charge

No office visit charges for re-programming, troubleshooting, or aural rehabilitation counseling.

Repair charges and parts for out-of-warranty devices still apply.
